

CHANGE FOR THE BETTER

If we all make a small commitment to safer behavior and do it for five days, it will make a big difference. Like doing the wave at a football game, small actions done along with others have an incredible impact. Some friendly suggestions:

- **Do not enter the Staff Parking Lot, or its driveway.**
 - ***Park with pedestrian visibility as a priority.***
 - **Drive the speed limit, and obey traffic regulations. NO U-TURNS.**
 - ***Learn a new, legal route (google maps!) to turn your vehicle around.***
 - ***Leave bus zones for buses. No stopping, at all. CTS Bus Zones extends from the stop to the preceding intersection.***
 - **Be courteous to community members. No idling, or blocking/entering private access ways.**
 - ***Park and walk. Even a walk from vehicle to crosswalk helps.***
 - ***Don't jaywalk! When crossing the street (at the crosswalk), raise your arm and use the Point-Pause-Proceed method.***
- ***Do As You Say, AND As You Do. Talk to your kids about safety.***

CHANGE FOR THE BETTER -- FOR THE NEXT FIVE DAYS, I WILL

***CUT OUT THIS COMMITMENT AND PLACE IT ON YOUR DASHBOARD AS A REMINDER.**

***WHEN YOU'VE FULFILLED YOUR COMMITMENT, PUT YOUR NAME, YOUR CHILD'S NAME AND ROOM NUMBER, AND YOUR PHONE NUMBER ON THE BACK. SEND IT TO THE SCHOOL OFFICE TO BE ENTERED INTO OUR DRAW TO WIN!**
